

PROFILE 2022

WHO WE ARE

Ms. Al-Toufeeq established in 1994 within the center of Abu Dhabi City with a vision to make a mark on the emerging interiors of Abu Dhabi. For over 24 years after its inception, the company continues to provide excellence in the interiors industry.

OUR MARKET

For turn-key projects, we have become a stalwart of interior design and Fit out industry with core focus on performance at the highest of qualities no matter the demands of our clients. We have satisfied clients with widely variable projects and requirements and received accolades for our service in developing banks, restaurants, lounges, malls, retail outlets, offices, villas, kiosks, exhibition stalls and independent furniture. No matter how small or big the projects are, we thrive to excellence in all Tasks assigned to us and we dealt with them from the smallest to the most -ambitious, with same level of diligence and excitement.

OUR COMMITMENT

Al-Toufeeq is equipped unlike most of its competitors to handle nearly all the challenges faced by most turn-key interior design & Fit out companies. With the highest of quality at affordable prices, we promise timely delivery, flawless installation and diligent after-sale service. At Ace, we are here to continually support your patronage. We hope to develop a new and lasting relationship with you.

Our Strategy

Strategic fit out partner of choice for repeat customers delivering high-quality projects for ideal revenues.

Vision & Mission

Al Toufeeq is one of the top leaders in the UAE market with innovations of high quality solutions and fit out work

Al Toufeeq is continuing to benefit from its past years of experience, achievements, and resources to set the standard of solutions and product development for interiors in the UAE and that is based on innovative technologies

PRODUCTS AND SERVICES

Interior Fit Out

The heart and soul of what we provide. Our turnkey interior services include wall-to-wall and floor to ceiling fit outs. Our team of artists, designers, project managers and technicians come together to provide the highest standard of workmanship for any space

PRODUCTS AND SERVICES

Interior Design

Whatever you imagine, we can create. Our in-house creative studio brings an entirely different dimension to Ace. We help you envision and offer creative and intelligent responses to your goals and requirements. We know how to listen and infuse your organization's personality into a space.

Project Management

We are taskmasters at every level. The fears of most clients stem from lack of transparency, slipping time frames and rising budgets. Our business-savvy project managers offer technical expertise that contributes to streamlined, on-time, within-budget projects. Our process includes design-quality management reviews and consultant coordination, budget management, monthly reporting, design scheduling and design-fee cash flow forecasting and trending. All results. No surprises.
