Our goal is to exceed our client's expectations by creating unique designs in our products and provide best support that reflect their values and meet their needs well into the future.

# VISION, MISSION & CORE VALUES

## Our Vision

Our vision is to be a reputable and desirable upholstery company providing the innovative designs in our products with superior quality finishing works to our customers. We have a professional experience to deliver exclusive design services that bring a complete satisfaction of our partners and clients requirements.

## Our Mission

Our mission is to be recognized in the marketplace as a premier upholstery company in UAE with both unique product design and professional project management expertise for upholstery works. So we mainly sophisticated, durable design with latest and customized design trends with on time delivery. Also to share new product ideas, knowledge and success with business partners, shareholders and employees.

## Core Values

We believe in striving to deliver quality upholstery services to our Clients within their schedule and budget, also build a strong relationships with our colleagues as well as with our clients.

## Upholstery

We mostly choose natural fabrics for our upholstery works. These fabrics are usually favored by someone looking for the softest feel to their furniture. Cotton, silk, wool, leather, and linen are some of the popular natural upholstery fabrics. Cotton is the most widely used natural fabric and it provide a soft feel to your furniture with great durability and resistance to fading. Silk is an expensive options for upholstery fabric which can be used in a formal living room without a heavy usage space. Wool and Leather is very durable and is a great choice for high usagespace. Linen is best for adult only rooms due to the fact it can wrinkle and stain easily and it is more affordable.

## Outdoor Furniture

Furniture has a major role for elevating modern and minimalistic spaces in outdoor design works. We will specifically innovated to enhance your outdoor space. Our aim is to provide premium quality unique products for your outdoor space only using the finest materials in best price. Our furniture includes chairs, sofas, beds, dining, outdoor cushions umbrellas etc.

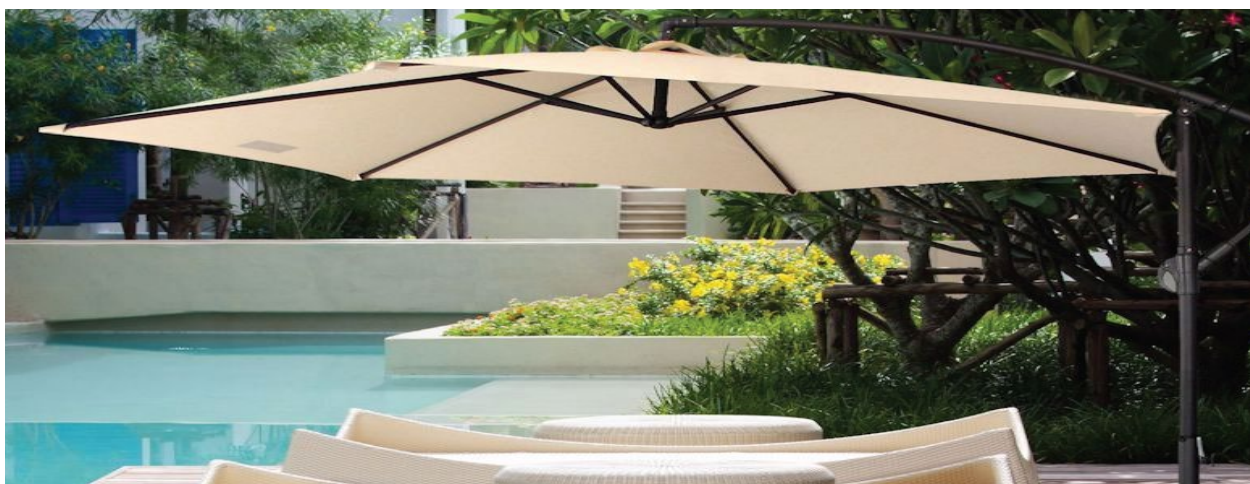

## Curtains and Blinds

Curtains are a wonderful way to add color and beauty to any home's decor. They are the reflection of your style and taste. Demco Living offer charming curtains in best price. We have a wide collection of Door Curtains, Window Curtains, Macramé Curtains, Curtain Rods, Blinds & Shades, and Tie Backs etc. Our collection includes prints, plains and more designs. We also gives a customized design option to our clients according to their needs. Window blinds are a great addition to any room of your home because they will fit right into your color schemes without taking away from the overall look of the room. Demco Living deals with stylish blinds with sun-blocking materials, insect screening and engineered products.

## Outdoor Umbrellas

Demco Living deals with attractive and extensive range of commercial giant umbrellas suitable for most outdoor spaces. These outdoor giant umbrellas with customization which includes adjustable overhead shelter, come rain or sun protection, wide range of color options, fully serviceable and durable construction, Movable or permanently installation according to location, lighting options if needs etc.
